## French film festival in Cork

THE Cork French Film Festival is celebrating 30 years this year and to mark the milestone the organisers are preparing a packed programme of events from Sunday 3rd March to Sunday 10th March. Well known actors, directors and DJs have been invited to Cork to take part in the festival. The theme of this year's festival is 'Together' or 'Ensemble' and organisers say having this theme aims to explore the various ways in which we are interconnected, in which we try to address life's challenges and make sense of life together in this era of uncertainty. Films will be shown at the Gate cinema, and sponsors this year include Amarenco, Cork City Council/Arts Office, L'Ambassade de France en Irlande, La Ville de La Rochelle and La Fondation Alliance Française. The programme will be announced shortly.
